

Date: 8th February 2018

Report of School Health training intervention conducted under Swaccha Bharat Abhiyaan

A session on personal hygiene and cleanliness was conducted at secondary school of 'Prabhodankar Thakare Vidyamandir', Shramiknagar, Nigdi as part of the Swaccha Bharat Abhiyaan activity from 9.30 am to 11.30 am on 8th February 2018.

Since this was a high school and educational curriculum did not allow for a program in March this was conducted in February at the request of the Headmaster-Mr Jagdish Kakade.

The team included Dr. Sheela Godbole, Ms. Shraddha Gurav, Mr. Samadhan Kumbhar and Mr. Robin. The session was conducted separately for each class from Standard 8th to 10th using a participatory approach. Around 200 students attended the same. Students were interested and enthusiastic. Chocolates were distributed to the students who answered the questions and gave demonstrations of hand wash in front of the class. Brochures on hand hygiene were distributed to all the students.
